

## Unit 3 Progress: Socratic Seminar Assessment

**Directions:** You will take part in a discussion that will require you to do research to support your ideas. You will need to use your unit assignments and textbook to **find specific evidence** to support your claims, ideas, or arguments. You must answer **all 3** of the following questions before the Socratic Seminar, in order to prepare for the discussion. You need to create **1 additional question** of your own to add to your discussion for each question prompt. For question 2, use the reading linked in Canvas and cite specific lines for your evidence to refer to.

1. *How has human progress and ingenuity pushed us to where we are today?*
